Calling all 4- and 5-year-old preschoolers for ...

Seals, Whales and Otters!

Sign up now to enjoy the exciting and interactive Seattle Aquarium's "Seals, Whales and Otters" enrichment class, right here at Encompass!

Children will explore four groups of marine mammals – seals, baleen whales, toothed whales and otters. They'll handle pelts, bones, teeth and also create marine life crafts.

Registration is required, and space is limited to 20 preschoolers, so don't delay.
