Title: Home Visitor for the Parent-Child Home Program

Description: Home Visitors provide home visits using the Parent-Child Home Program (PCHP) model. PCHP is a national program aiming to support parents of 2- and 3-year-olds by increasing parent-child interaction and advancing pre-literacy skills. The Home Visitor also ensures that the program is delivered with respect to each family's home language, culture and values, and supports parents as first teachers.

Specific Duties:

- Visit assigned families twice a week, 30 minutes per visit.
- Use weekly book or toy at home visits to model for parents the use of materials to enhance play, language and all interactions to support positive child development and strong parent-child relationships.
- Model for parents how to respond appropriately to the behavior of 2- and 3-year-old children. Encourage parents to realize their role as the child's first and most important teacher. Support a family's full involvement in the program.
- Complete required assessments of children and parents and enter data in program database.
- Maintain accurate and complete records for families.

Hours/Schedule: Part-time position available from August 2017 through May/June 2018. Hours and schedules will vary based on program needs and participant availability.

Salary: \$15.00 per hour

Qualifications:

- Experience working with families and young children in a multicultural setting.
- Basic knowledge of child development and interest in play with toys and books.
- Reliable transportation and Washington state driver's license.
- High-school diploma or GED equivalent.
- Bi-lingual Spanish preferred.
